FREEDMEN'S BUREAU PRESERVATION PROJECT

This National Archives microfilm publication is part of a multiyear project to microfilm the field office records of the Bureau of Refugees, Freedmen, and Abandoned Lands (Freedmen's Bureau). The project was made possible by the United States Congress through The Freedmen's Bureau Records Preservation Act of 2000 (Public Law 106-444). When completed, all of the field records for the States of Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Missouri, North Carolina, South Carolina, Tennessee, Texas, Virginia, and for the District of Columbia will be available on microfilm. For microfilm availability and description, consult the current edition of the National Archives publication *Microfilm Resources for Research: A Comprehensive Catalog*. INTRODUCTION

On the 90 rolls of this microfilm publication, M1903, are reproduced the previously unfiled records of the Georgia staff offices and subordinate field offices of the Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1872. These records consist of bound volumes and unbound records, containing materials that include letters and endorsements sent and received, monthly reports, registers of patients, orders and circulars issued and received, and other records relating to freedmen's complaints and contracts. These records are part of the Records of the Bureau of Refugees, Freedmen, and Abandoned Lands, Record Group (RG) 105.

This film series completes the reproduction of all Bureau records created in Georgia between 1865 and 1872. Many of these records were reproduced in 1969 in National Archives Microfilm Publications M798, *Records of the Assistant Commissioner for the State of Georgia, Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1869*, and M799, *Records of the Superintendent of Education for the State of Georgia, Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1870*.

HISTORY AND ORGANIZATION

The Bureau of Refugees, Freedmen, and Abandoned Lands, also known as the Freedmen's Bureau, was established in the War Department by an act of Congress on March 3, 1865 (13 Stat. 507). The life of the Bureau was extended twice by acts of July 16, 1866 (14 Stat. 173), and July 6, 1868 (15 Stat. 83). The Bureau was responsible for the supervision and management of all matters relating to refugees and freedmen, and of lands abandoned or seized during the Civil War. In May 1865, President Andrew Johnson appointed Maj. Gen. Oliver Otis Howard as Commissioner of the Bureau, and Howard served in that position until June 30, 1872, when activities of the Bureau were terminated in accordance with an act of June 10, 1872 (17 Stat. 366). While a major part of the Bureau's early activities involved the supervision of abandoned and confiscated property, its mission was to provide relief and help freedmen become self-sufficient. Bureau officials issued rations and clothing, operated hospitals and refugee camps, and supervised labor contracts. In addition, the Bureau managed apprenticeship disputes and complaints, assisted benevolent societies in the establishment of schools, helped freedmen in legalizing marriages entered into during slavery, and provided transportation to refugees and freedmen who were attempting to reunite with their families or relocate to other parts of the country. The Bureau also helped black soldiers, sailors, and their heirs collect bounty claims, pensions, and back pay.

The act of March 3, 1865, authorized the appointment of Assistant Commissioners to aid the Commissioner in supervising the work of the Bureau in the former Confederate states, the border states, and the District of Columbia. While the work performed by Assistant Commissioners in each state was similar, the organizational

structure of staff officers varied from state to state. At various times, the staff could consist of a superintendent of education, an assistant adjutant general, an assistant inspector general, a disbursing officer, a chief medical officer, a chief quartermaster, and a commissary of subsistence. Subordinate to these officers were the assistant superintendents, or subassistant commissioners as they later became known, who commanded the subdistricts.

The Assistant Commissioner corresponded extensively with both his superior in the Washington Bureau headquarters and his subordinate officers in the subdistricts. He prepared reports that he sent to the Commissioner concerning Bureau activities in areas under his jurisdiction, based upon reports submitted to him by the subassistant commissioners and other subordinate staff officers. He also received letters from freedmen, local white citizens, state officials, and other non-Bureau personnel. These letters varied in nature from complaints to applications for jobs in the Bureau. Because the assistant adjutant general handled much of the mail for the Assistant Commissioner's office, letters were often addressed to him instead of to the Assistant Commissioner.

In a circular issued by Commissioner Howard in July 1865, the Assistant Commissioners were instructed to designate one officer in each state to serve as "general Superintendents of Schools." These officials were to "take cognizance of all that is being done to educate refugees and freedmen, secure proper protection to schools and teachers, promote method and efficiency, correspond with the benevolent agencies which are supplying his field, and aid the Assistant Commissioner in making his required reports." In October 1865, a degree of centralized control was established over Bureau educational activities in the states when Rev. John W. Alvord was appointed Inspector of Finances and Schools. In January 1867, Alvord was divested of his financial responsibilities, and he was appointed General Superintendent of Education.

An act of Congress, approved July 25, 1868 (15 Stat. 193), ordered that the Commissioner of the Bureau "shall, on the first day of January next, cause the said bureau to be withdrawn from the several States within which said bureau has acted and its operation shall be discontinued." Consequently, in early 1869, with the exception of the superintendents of education and the claims agents, the Assistant Commissioners and their subordinate officers were withdrawn from the states.

For the next year and a half the Bureau continued to pursue its education work and to process claims. In the summer of 1870, the superintendents of education were withdrawn from the states, and the headquarters staff was greatly reduced. From that time until the Bureau was abolished by an act of Congress approved June 10, 1872 (17 Stat. 366), effective June 30, 1872, the Bureau's functions related almost exclusively to the disposition of claims. The Bureau's records and remaining functions were then transferred to the Freedmen's Branch in the office of the Adjutant General. The records of this branch are among the Bureau's files.

Constrained by limited resources, Southern opposition, and the politics of Reconstruction, the Bureau faced an enormous challenge in its efforts to assist the freedmen and refugees. Its relief efforts, without question, saved thousands of southerners from starvation. Its attempts to assist freedmen to become self-sufficient, to provide public education, administer justice, and, to a lesser degree, to provide land, all worked with varying degrees of success to lessen the difficulties during the transition from slavery to freedom. One of the Bureau's greatest legacies is the body of records it created and received during the course of its operations. These records are arguably some of the most important documents available for the study of the Federal Government's policies, efforts to reconstruct the South, and Southern social history and genealogy.

THE FREEDMEN'S BUREAU IN GEORGIA

Organization

Bvt. Maj. Gen. Rufus Saxton, who had directed the "Port Royal Experiment," was appointed Assistant Commissioner for South Carolina, Georgia, and Florida. Saxton established his headquarters at Beaufort, SC, in June 1865, and assigned Gen. Edward A. Wild the responsibility for Bureau affairs in part of Georgia. In September 1865, after Wild was relieved from duty, the office of Assistant Commissioner for Georgia was established, and Brig. Gen. Davis Tillson was appointed as Acting Assistant Commissioner, with exclusive control of all matters concerning the Bureau in Georgia. Tillson reported to General Saxton in South Carolina until December 1865, when he was ordered to report thereafter directly to Commissioner Howard at Washington. Generally, the records pertaining to Georgia and Florida that were created during this early period are included among those of the Assistant Commissioner of South Carolina.

The organization of the Bureau in Georgia was similar to that of the Bureau headquarters in Washington. The Assistant Commissioner's staff included an assistant adjutant general, an assistant inspector general, a chief quartermaster and disbursing officer, and a superintendent of education. Three officers served as Assistant Commissioner in Georgia between 1865 and 1869 and located the Bureau offices in four different cities during that period. General Tillson first established his headquarters at Augusta in September 1865 but moved it to Savannah in October 1866. Col. Caleb C. Sibley succeeded Tillson as Assistant Commissioner in January 1867, and 2 months later he moved the headquarters from Savannah to Macon. It remained there until July 1867, when the office was transferred to Atlanta. In October 1868, Maj. John R. Lewis replaced Sibley as Assistant Commissioner. Lewis served until the office was discontinued in May 1869. From January to May 1869, Major Lewis combined the duties of Assistant Commissioner, with those of superintendent of education. After the office of the Assistant Commissioner was discontinued, Lewis continued to serve as superintendent of education until May 1870.

The major subordinate field offices for the Bureau in Georgia, for example, included those with headquarters at Albany, Americus, Athens, Atlanta, Augusta, Columbus, Macon, and Savannah. Under the direct supervision of the subassistant commissioners were the civilian and military agents. Occasionally, the Bureau retained military officers in a civilian capacity after the termination of their military service. For a list of selected Georgia subordinate field office personnel and their dates of service, see the Appendix.

Activities

The major activities of the Freedmen's Bureau in Georgia generally resembled those conducted in other states. The Bureau issued rations and provided medical relief to both freedmen and white refugees, supervised labor contracts between planters and freedmen, administered justice, and worked with benevolent societies in the establishment of schools.

When General Davis Tillson took over as Assistant Commissioner for the Freedmen's Bureau in Georgia in September 1865, many of the major cities and towns in the state were troubled with overcrowding, disease, and poverty. In the cities of Macon, Atlanta, Augusta, and Savannah, freedmen and refugees were living in some of the most crowded and deplorable conditions, and many were in dire need of food and clothing, shelter, and medical attention.¹ Convinced, however, that Federal Government relief should be temporary and solely for the needy, General Tillson issued an order on October 3, 1865, prohibiting the distribution of rations to freedmen and refugees who were able-bodied but refused work. To discourage idleness and dependency, Tillson further ordered that only those persons who were able to provide for themselves would be allowed to remain in the towns and cities. Those who desired to stay, said Tillson, "must be compelled, if necessary, to go to the country and accept places of labor found by themselves, or for them, by officers or agents of the Bureau."²

Tillson's orders were strictly enforced. One month after his pronouncement, rations issued in Savannah had been reduced from 120,000 to 60,000 per month. For the month of June of 1866, the number of rations issued for the entire State of Georgia totaled less than 20,000. However, in spite of the Bureau's "self-help" policy, limited resources, and the belief that local governments should play a greater role in providing relief for the destitute, the Georgia Bureau issued some 847,669 rations from June 1865 to September 1866. Although the Bureau's actions prevented wholesale starvation and untold suffering, the agency's rations-relief efforts were far less extensive than what Bureau officials had done during the same period in Alabama, North Carolina, South Carolina, and Virginia. Tillson's successors, Assistant Commissioners Caleb C. Sibley (January 1867–October 1868) and John R. Lewis

(October 1868–May 1869) continued to follow the policy of providing limited rations relief. During their tenures, rations were issued only in emergencies and for the most part to hospitals and asylums.³

The Georgia Bureau's policy of temporary relief for the needy also guided its approach in providing medical care and assistance for the destitute. Like its ration program, the Bureau viewed its responsibility as one of providing temporary medical relief, primarily in cases of extreme emergencies. The Bureau believed that the ultimate responsibility for providing medical care to those in need lay with Georgia civil authorities. J. W. Lawton, who served as surgeon-in-chief under General Tillson, saw the use of dispensaries as the best means of administering medical relief and the most effective approach to encourage civil officials to take on some of the cost for operating them. Lawton and his successor at various times maintained dispensaries at Albany, Americus, Brunswick, Columbus, Darien, Newton, St. Catherine's Island, St. Marys, and Stone Mountain. The Bureau's medical department also opened hospitals with the idea of eventually turning them over to state and local authorities. The Bureau maintained hospitals at Atlanta, Augusta, Columbus, Macon, and Savannah. At the height of its medical operations (1866–67), however, the agency employed just 13 physicians. Nonetheless, with its limited and over burdened medical staff, the Bureau treated more than 5,000 freedmen for various ailments and vaccinated some 20,000 freedmen and refugees against smallpox from September 1, 1865, through September 20, 1866. By September 1867, the number of freedmen treated by Bureau nearly tripled. At the end of June 1868, close to 17,000 freed men, women, and children received treatment. Despite the Bureau's efforts to treat the weak, the sick, and infirm, the mortality rate among freedmen remained high. By late 1868, most of the Bureau's medical activities ceased, and care for the destitute was turned over to local authorities.⁴

In Georgia, as in other states under the Bureau's jurisdiction, the regulation of written labor contracts between planters and freedmen was of paramount concern. General Tillson's order of October 3, 1865 (Circular Number 2), which restricted the issuing of rations only to those in need, also instructed his subordinates to "make immediate and vigorous efforts" to secure work for unemployed freedmen "where fair compensation and kind treatment will be secured to them." Upon arrival at his

post in early September 1865, Tillson found the labor system in Georgia in disarray. Able-bodied freedmen were being paid from \$2 to \$7 per month. Many were of the notion that the Federal Government was planning to distribute land to them at Christmas or New Year's, and thus large numbers of freedmen were refusing to sign labor contracts. Planters, on the other hand, were convinced that the Bureau was the "champion" of the freedmen and totally insensitive to their concerns about freedmen and their unwillingness to labor, and were thus making little effort to prepare for the planting season.⁵

On December 22, 1865, in an effort to remove "false and mistaken impressions" held by the both planters and freedmen, Tillson issued wage guidelines that both parties were expected to follow. Under the new rules, freedmen had the right to choose their own employers, but those freedmen who refused to sign contracts after January 10, 1866, "where employers offer good wages and kind treatment," had to accept contracts that the Bureau made for them. In upper and middle Georgia, where the land was poor and unsuited for raising large quantities of crops, Tillson instructed his officers to secure contracts paying men \$12-\$13 per month, and \$8-\$10 dollars per month for women. Freedmen were to provide for their own clothing and medicines. In other parts of the state and along the coast and southwestern Georgia, where "good crops" could be raised, men were to be paid \$15 per month, including board and lodging, and women \$10 per month. In areas where planters preferred to pay a share of the crop, the order required payment of "from one-third the gross to one half the net proceeds."⁶

Realizing that not all planters would comply with his new wage guidelines, Tillson instructed his subordinates to call on the military to enforce his orders whenever necessary. He was aware in spite of his orders, many of the contracts being signed, even some approved by his own agents, were substandard and not in compliance with his wage schedule. He made clear to both his agents and the planters that such contracts would not be recognized. To emphasize the importance of and his commitment to fair contracts and compensation for freedmen, Tillson offered transportation to freedmen to such areas as southwest Georgia and the Mississippi Valley where wages were higher. In a November 1866 report to Commissioner Howard, Tillson indicated that he had issued 381 orders for transportation for some 2,947 men and 1,013 children.⁷

Safeguarding rights and securing justice for freedmen was a major area of concern for the Freedmen's Bureau. Following the Civil War, several Southern states enacted a series of laws commonly known as "black codes," which restricted the rights and legal status of freedmen. Freedmen were often given harsh sentences for petty crimes and in some instances were unable to get their cases heard in state courts. In a circular issued by Commissioner Howard on May 30, 1865 (Circular Number 5), Assistant Commissioners were directed to "adjudicate, either themselves or through officers of their appointment, all difficulties arising between negroes themselves, or between negroes and whites or Indians." In response to Howard's circular, General Tillson issued an order on November 15, 1865 (Circular Number 4), instructing his officers to hear and make determinations in cases involving freedmen in which the disputed sum did not exceed \$50, or the punishment did not exceed \$50 or 30 days' imprisonment. Agents were also told that they could "try offences committed by or against freedmen, provided the sentence imposed does not exceed one hundred and fifty dollars or imprisonment for at hard labor for sixty days." Tillson further ordered that "It is preferred that all cases of any importance . . . whenever under the laws there of [the State of Georgia], or by agreement of the parties . . . [where] the testimony of Freedmen can be admitted . . . the Agent will turn them over to the civil authorities for trial." To carry out Tillson's orders, agents were to establish three-member tribunals (known as freedmen's courts) consisting of a Bureau official and two citizens, one chosen by each party involved in the case.⁸

However, when the Georgia State Legislature passed an act conferring civil rights on "persons of color," approved March 17, 1866, Tillson advised his officers on April 6 (Circular Number 4) that they were no longer required to comply with Commissioner Howard's orders of May 30, 1865. While Tillson told his agents that they were to continue to follow instructions issued by him on November 6, 1865 (Circular Number 4), "all cases exceeding their jurisdiction, unless otherwise specially directed by the Department Commander, [were to] be turned over to the civil authorities of the State for adjudication." Despite the Bureau's efforts to secure justice and civil rights for freedmen in Georgia, blacks continued to complain to the agency about some of the "most fiendish and diabolical outrages" suffered by them at the hands of gangs known as "Regulators," "Jayhawkers," and the "Black-horse cavalry." Perpetrators of crimes against freedmen were often not apprehended or prosecuted by civil authorities. At various times, because of increased hostilities toward freedmen and the failure of civil authorities to take action in their cases, Bureau officials in Georgia were compelled to reassert their authority.⁹

Bureau educational activity began in Georgia in October 1865, when G. L. Eberhart was appointed as superintendent of schools (later education). In August 1867, Edward A. Ware succeeded Eberhart. In January 1869, Assistant Commissioner Maj. John R. Lewis assumed the duties of superintendent of education. Lewis served

in both capacities until May 1869, when the office of Assistant Commissioner was discontinued, and remained as superintendent education until May 1870. The records of the two offices were not combined. Ware, who had been acting as assistant superintendent, remained in Georgia as acting superintendent until August 1870, when all Bureau officers except the claims agents were withdrawn from the state.

Congress's failure to provide an appropriation for the Freedmen's Bureau during its first year of operation, impacted significantly on the agency's ability to provide adequate assistance for freedmen education. With limited financial resources, the Bureau provided help when it could, and worked vigorously to encourage freedmen and Northern benevolent societies to take on the primary responsibility for providing support for black schools. G. L. Eberhart and his successors were of the opinion that "colored people who are unwilling to help educate their children do not deserve to have schools." To encourage freedmen to participate in this self-support effort, Eberhart urged them to establish educational associations. With assistance from local Bureau agents, educational associations were established in the subdistricts of Thomasville, Bainbridge, Albany, Georgetown, Cuthbert, and Americus. In early 1866, the "pay your own way" policy led to the founding of the Georgia Educational Association (initially organized as the Georgia Equal Rights Association). The Educational Association worked closely with the Bureau and Northern aid societies and became the model "to encourage the people [freedmen] to organized effort in supporting their own schools & managing their own affairs." By the end of 1866, freedmen owned 57 schoolhouses and provided support for 96 of the 127 schools in the state. By the spring of 1867, freedmen contributions sustained some 104 schools and teachers and more than 3,000 students. During the same period, the Bureau maintained some 44 schools and 50 teachers and close to 3,100 pupils. Northern aid societies provided support for 84 schools, 78 teachers, and over 7,000 students. Freedmen also defrayed the expenses for 45 schools under the control of the Bureau and the aid societies.¹⁰

With the passage of the Army Appropriations Act on July 13, 1866 (14 Stat. 90), the Bureau received its first appropriation and was able to provide greater assistance in its effort to support freedmen education. In addition to providing some \$21,000 for state superintendents' salaries, the Act made available \$500,000 more for the rent and repair of school buildings. In the same month, Congress overrode President Andrew Johnson's veto and extended the life of the Bureau for 2 years. In this new legislation (14 Stat. 173), the Bureau was allowed to "seize, hold, use, lease, or sell" Confederate property for the purpose of educating freedmen. The act also required the Bureau to work closely with benevolent groups and to lease buildings to those associations that supplied teachers. By early July 1869, the Bureau had expended nearly \$105,000 for the construction and repair of school buildings that provided accommodations for 4,690 students. The Bureau spent an additional \$10,471 for the

repair of buildings that provided part-time space for more than 3,500 pupils. By the time the Bureau withdrew from Georgia in 1870, the agency had contributed funds for the building of some 50 schools in the state.¹¹

RECORDS DESCRIPTION

These records consist of volumes and unbound records. The volumes reproduced in this microfilm publication were originally arranged by type of record and thereunder by volume number. No numbers were assigned to series consisting of single volumes. Years later, all volumes were arbitrarily assigned numbers by the Adjutant General's Office (AGO) of the War Department after the records came into its custody. In this microfilm publication, AGO numbers are shown in parentheses to aid in identifying the volumes. The National Archives assigned the volume numbers that are not in parentheses. In some volumes, particularly in indexes and alphabetical headings of registers, there are blank numbered pages that have not been filmed.

The volumes consist of letters and endorsements sent and received, press copies of letters sent, registers of letters received, letters and orders received, special orders and circulars issued, registers of complaints, and monthly reports forwarded to the Assistant Commissioner. The unbound documents consist of letters and orders received, unregistered letters and narrative reports received, special orders and circulars issued, general orders and circulars received, monthly reports, and records relating to complaints, labor contracts, patents, and court papers.

LIST OF BOOK RECORDS OF OFFICERS

The single-volume list of book records of officers in Georgia (no date) is arranged by office, with records of the Assistant Commissioner first, followed alphabetically by locations of the subdistrict offices. Included in the list of book records are the type of record in each book or volume, the dates of the volume, and the volume number. Throughout this introductory material and in the Table of Contents, the AGO volume number appears in parentheses in the series descriptions of the records.

SCHOOL REPORT

OF

Teacher of Freedmen's School.

at

Ga.

Bureau of Refugees, Freedmen and Abandoned Lands.

Office Supt. Freedmen's Schools, State of Georgia.

*Augusta, Ga., Dec. 1st, 1865.*CIRCULAR)
NO. 3.

On the 1st day of January, 1866, Teachers of Freedmen's Schools will answer *in the margin*, the questions herein asked; and by mail, or otherwise, return this Circular to this office.

1. Are you white or colored?
2. How long has your School been organized?
3. What is your salary per month?
4. By what Northern Society are you employed?
5. If paid by parents, how much per month, for each pupil?
6. How many male pupils have you?
7. How many female pupils?
8. What is the *average daily* attendance?
9. How many pupils in Orthography?
10. How many are Reading?
11. How many in Arithmetic?
12. How many in Geography?
13. How many in Grammar?
14. How many Writing?
15. What other branches do you teach?
16. Is the Bible read daily in your School? By whom? teacher or pupils?
17. What books do you use?
18. Have any books and stationery been furnished *gratuitously* to your School? By whom? and what the value?

19. Has any provision been made for the Normal instruction of Teachers? What? and by whom?
20. Who owns the building in which you teach?
21. If built by the colored people, at what cost?
22. Has your School incurred any debt which it is unable to pay? How much?
23. What are the monthly contingent expenses? for fuel, etc.? By whom paid?
24. What is the whole amount paid for the support of your School, from its organization to January 1st, *by colored people?*
25. What amount by other parties?
26. What is needed to render your School Room convenient and comfortable?
27. How many more Schools are needed in your place?
28. Can buildings be procured to accommodate all the children in the place?
29. Do you teach a *Night School*? How many pupils attend it?
30. Is public sentiment more favorable now, to the education of colored people, than when your School was first organized?

It will be observed that the foregoing questions are so arranged as to require very little language to answer them—nearly all only one or two figures, or a single word. Teachers can hardly fail to give clear and concise answers. The information sought is of great importance to this Bureau; and to all who are laboring for, or take any interest in, the mental and moral elevation of the Freedmen; and *it is, therefore, imperatively necessary that the most scrupulous regard for accuracy and truth be exercised in furnishing it.*

Teachers and Boards of Education are required, henceforth, to keep such records of their Schools as shall enable them to give, at any time it may be called for, a report embracing all the aforementioned items.

This report, before transmittal to this office, must be plainly endorsed with the *name* and *location of the teacher*.

Genl. The use of the wooden buildings at Dintman Valdosta and Thomasville - in the way proposed had better be deferred till the arrival of the Actg Supt Com.

Captain:

How is it with our schools in Thomasville? I understood you to say when here that there were three open. I sent you blanks for reports for Dec, but have received none. Why?

Write me immediately giving full particulars — what is doing, what is needed etc. Will a visit from me do any particular good? Do the freed people need books and are they able to pay for them? If I have some sent to you will you take the pains to sell them and return the money to me?

I made application for two teachers but have not yet succeeded in getting them. Requesting an early reply,

I am truly yours

I have your letter of the 29th. ult. I would go to Thomasville if I thought I could do enough good to justify me in the expenditure of the time and money which the trip would involve.

I can do good only by first securing teachers & there are none of course in G. that are competent.

Gen. Gillson is absent now but as soon as he returns I will have the necessary orders sent you in regard to building a school house.

If the teachers, of whom you speak are too ignorant to make out a report can you not make it for them? All I want is the No. of schools, teachers, pupils and the No. of pupils able to read & the No. able to write

I will send no books until
I am able to send good teachers.

Your attention has already been called by Capt. Dean, to certain charges made against you by the Board Council of Quilman. I wish you to abstain under any and all circumstances, from resorting to increasing language, as you thereby simply mention the facts and value of your own action. Continue to obey orders and do your duty without fear or favor, but do not make your action in behalf of the freedpeople unnecessary disagreeable to the white people, as this will simply react to the disadvantage and suffering of the freedpeople whom we wish to protect. Let all minor cases come before the Citizen Agents, simply exercising a careful supervision over them, reporting to this office any things you may deem advisable. If there is time, if not then act as justice may require, reporting the action you ^{have} taken, and the reason thereof.

Dear Sir,

I am under the painful necessity of stating to you - that a freed woman of this County - was found dead in the Piazza of an old store House in this place - This morning - The cause of her death was this - She was sick in the County - and came to this place, and was refused shelter, and died for the want of attention, I called the attention of the Inferior Court to her case, they said they had no money - and that they thought it was the duty of the Bureau agent to attend to such cases - I have contributed provisions individually - as far as I was able - I called on the Inferior Court, & the Mayor of the town This morning - to have her buried - They would do nothing in the matter - and I have at my own expence, ordered a coffin made & grave dug -

as a citizen of the place, I thought it a duty - but not entirely on me - I am having rather a hard time of it - and unless the Government will furnish me with some funds, to feed such of the freedpeople as are actually in a starving condition, there is a few of them that are bound to suffer -

I would like that you would write me a letter, stating whose duty it is to attend to such cases, so that I may show it to them - I have it all put on me - and I think it is rather hard, I am just commencing business here - and comparatively a stranger, and it all tends to my disadvantage

Major,

I have the honor to state to you that Mr. B. Holliday Agt. Freedmans Bureau &c of this County has this morning conferred with the County Solicitor & myself in regard to the indictments in the County Court against James H Boston for Assault & Battery on different Freed people of this Town - Mr. Holliday suggests that probably an amicable adjustment of the matter can be effected between the Freed people & said Boston if the matter can be arranged in the County Court - The Indictments are "Special Presentments" of the Grand Jury and not "True Bills" I am therefore not authorized according to the general prudent practice of our Courts to allow the Solicitor to nol. Pros. them - The question of Damages sustained by the freed people at the hands of Boston is distinct from these prosecutions & one with which the County Court has nothing to do as yet - I have taken the precaution to have the Court adjourned over from day to day with a view to the trial of these cases and apprehend the trials (if he does not plead Guilty) will come off in a few days - I need not say

to you Major that my duty & object in these and
all other Criminal prosecutions will be to vindicate
the Law in such a manner as to prevent if I can
further infractions not only by the parties involved
but all others =

June 5th 1864

James L. Jewell
Portland, Me

Dear Sir

The object of this is
to say to you that a certain man in this State
in the name of Daniel Williams has reported me
that Capt. White is a coward and upon that report
Capt. White has ordered a way through the State
the Open-house which was properly & securely
said Williams a certain sum. The Law has not been
made by order - said Williams and Williams having
ordered the way out of the State the Law has ordered
the Open-house which the Law has ordered - said
Daniel Williams and Capt. White to receive.

The fact in the case are as I relate them to
you. I rented my farm in this County
January a year ago and the Farmers who
came the farm on until some time in the
fall, using my Corn Fields during the
year having let over 1000 Dollars by Farmers

management and said that my case would be made
 proposed to buy him the said Hunter interest.
 Mr. Hunter accepted my proposition after
 paying off all the hands (as he the said Hunter
 stated) and there was Hunter paid me. Due me
 following January for the Hunter's Dollars (which were
 with me but I have this and the said Hunter gave
 the said Spanish Millions came to me and informed
 me that Hunter was in some way engaged
 Dollars. After Hunter had said that he was
 Mayor and the said Hunter was old and
 blind or slow &c. I told the said Spanish Millions
 to have the Hunter's money attached which he
 did. I also told him to have money furnished
 which he did. (I have been ready to pay him at
 since it became due upon presentation. Hunter
 was one man and was a man and I said
 that I was satisfied with what he had done
 it is reasonable to suppose he was in some way
 of some other question, I said that I was
 satisfied to not to have to pay him - but
 I understood from the - that he was not satisfied
 that I was furnished to him - and I said
 I had received the money that Hunter had

I am, and the fact is that I prefer to have the
 Buck's & Flour attached, and the property attached
 and sold - also, the David Williams had written
 in the Co. I promised to let him (Williams) see
 he saying one third of what he thought. I
 decided the Co. should not be interested in
 the land and I had to supply a white man to
 a land here it seemed. The Co. I had to write
 the Co. in Indianapolis. I have never seen
 the note since I gave it to him. I have
 given it to Col. Smith, the Major, and
 Col. Smith & others - but will keep it with
 me. Col. Smith is pleased where you are
 very white and, I think, very - I think you
 have a very good character and I will
 give it to Col. Smith, the Col. Smith, Col.
 Smith - I think that you know
 and I think to have the order received
 of Col. Smith, the Col. Smith, the character of
 the David Williams, I would like to see
 the white & colored people here. Please attend
 to this for me I think I know what you

Gen. Sibley -
Commanding
Dist. Georgia, -

Dear Sir: -

I herewith
transmit for your inspection a
communication rec'd by myself
on yester-day from Capt. W. F.
White, Agent of the Freedman's Bureau
at this place. -

The circumstances connected with the
case are plainly and briefly thus.
James Fields & Sarah Ann his wife
as shown by copy of Contract enclosed
are freedmen employed on my
plantation in this County. - The amount
of provisions which I was to supply
them is not set forth in the Con-

to be some pounds Bacon and half-bushel of Meal per week - which amount of Bacon & Meal I have fully and promptly furnished according to contract. -

On last Thursday the 19th inst. James Fields committed trespass upon one of my neighbors Mr. J. J. Williams

by killing one of his meat hogs. - Mr. Williams missing his hog instituted search. The hog was found in the possession of James Fields. He acknowledged in my presence to having killed the hog, and proffered to pay Mr. Williams for him.

Mr. Williams however, refused then to compound crime; and expressed his intention to arrest him under the requirements & direction of the Law of the State. -

Saturday James Fields came to Town and reported to the Agent of the Bureau that he was compelled to kill a hog to prevent starvation - and that I was hunting one piece of land to prosecute him. -

The statement is totally & utterly false. To show he was starved James Fields and his wife must have been I state on oath that for last week - the same week he killed the hog - I issued to him & wife Sarah two seven pounds of good Bacon and a full half bushel of Meal. -

I knew nothing of the hog's being killed until I saw Mr. Williams in search of him: therefore he could not have been hunting one to prosecute said offender. Capt. White saw after Mr. Williams he came to my place -

Ketton was to furnish provisions for ~~Ben~~ and family had ~~two~~ children and wife who all worked on the plantation from the 1st of January 1867 until the 10th of June 1867. when Ketton raised a disturbance by beating and abusing my children and threatening to drive me off without pay. Ketton had three men take me out and undertake to tie me with a rope and threaten to throw me into the Flint River and drown me. They were in the act of tying me with the rope when I broke loose and ran away from them. They fired several shots at me while I was running away. My family are in need of food, and some of them sick and I cannot get medicine or food for them unless I receive pay for my labor. If I do not get paid some say my family must perish.

Samuel Bell (Colonel) personally
appeared before me on being duly sworn deposes
as follows. That Mrs R. Cox (Deble) agreed to
bring her son from Florida to this place if
she would wait on her while she remained
here. After coming to this place she went
to live with her mother, who wanted me
to work for herself as well as her daughter.
This I refused to do as it was not the agree-
ment. I remained with her two weeks after-
wards here, when I left as I could not
agree with Mr. Seal, her (Mrs Deble's) mother.
When I came away I left my clothing
at the house of a colored man, who lived
in the neighborhood for safe keeping. I sent
my mother for my clothing about a week
after leaving, which she learned that Mr.
Seal had taken my clothing to her own
house, and refused to give them up
to my mother, until she received (\$8.00)
Eight Dollars, the amount it cost her
daughter for bringing me to this place.

Acknowledges receipt of
Com^t of 14th inst & then re
fers to contract.

Savannah, Ga.

March 3rd 1867Capt. White, Sub. asst. Com^{dr}Capt^r

Your communication of the 14th inst., received this day, and read with the interest its importance requires.

Had I been informed of the intentions and demands of the Bureau, I should have been more particular in receiving and approving contracts. But taking into consideration the limited means of planters, the scarcity and consequently the very high prices of provisions and stock, and at the same time viewing, the contracts for last year, together with the remarks contained in instructions, Circular No 5 Dec^r 22nd 1865, I had reasonably supposed, and hoped that the contracts approved by me, would in the main give satisfaction. I am sorry to learn that the contrary is the fact; particularly at this late day, when the remedying the mistake will be attended with so much confusion and dissatisfaction. In fact - I do not see how the matter can be altered without doing serious injury to all concerned.

In a majority of cases the freedmen refuse to labor for a stated wages, but demand a portion of the crop, the planters offered from one third the gross to one half the net crop, some with rations, some with half rations, and some no rations; Taking all things into consideration as stated above,

over

were thought to be equitable, for it was ascertained by calculation that in a large number of these contracts, that when the planter paid all of his expenses in running the farm, the freedmen would reap not less than one half the net proceeds.

In relation to working from sun to sun; most if not all planters adopt your suggestion, as it suits their farming arrangements, and was a custom in times of slavery, except as to the time of from sun to sun; it was then from light to dark. In relation to forfeiting their wages for violating contracts. The freedmen have been informed as far as practicable, that if they cannot live in peace under their contract, it is their duty to report to the agent and let justice be adjudged between the parties, that if they abandoned their contract they would be liable to an action at law. And planters are, and have been informed that an abandonment of the contract by the freedmen of ~~the contract~~ would not work necessarily a forfeiture of wages for past labor, notwithstanding such might be the contract; and that if the employers treatment drove the freedman from his contract, he would be entitled to all his pay.

It is not designed to hold the freedmen responsible for team and farming utensils, only in cases of abuse or neglect on their part; nor will the common law place a different construction upon the contract; but in the event of injury the law of

evidence requires the injurer to exculpate himself, also the presumption of law is against him; the object in putting in those conditions I suppose, was intended to influence the freedman to the exercise of more care than is known to exist in the mind of the negro race as a general thing, for they are known to be thoughtless and careless in the main.

I am inclined to the opinion, from a knowledge of the character of the land, and the means of the farmers in this country, that if much higher rates for labor, than at present paid, are demanded, the farming interest will be prostrated here, and the freedman will have to hunt another market for their labor, or set up for themselves without the means of success."

I have said thus much, to show that my purpose has been, and is still to do justice to all parties; subject at all times however to orders; I hope to be appreciated, according to intention

With very great respect

I do not know of any freed people in this county, at present who need hospital care. There are no schools in this county for benefit of freed people. I am of opinion that in some localities they desire schools, but from their improvident character, it is probable they cannot guarantee much pay.

There are some destitute white families who must suffer, or live by charity. The difference between them and freed people

is this; in all cases of freedpeople who will work, provisions can be obtained for their children and infirm & decrepid.

There are no charitable supplies being distributed in this county at this time.

Please do not forget to tell me whether or not I may arrest & punish freedpeople for abandoning approved contracts, or must the employer rely upon the civil courts for remedy thereof. And please tell me whether or not citizens agents will get any compensation for services, and from whom

Some good citizens here offered to find them a good male teacher one who can stand an examination & is of good standing. in fact I think owing to the difficulty about board ~~of~~ a male teacher in best.

Board is \$3⁰⁰ per week in private families. I found no blanks 12 + 22. in the box if I can get a desk it will be of great service having no place to keep papers &c. Can I get one room for an office by making application through you?

I paid out the last cent. I had to get the box from the office and it will take over stamp. I have to send this Can I take voucher ~~in~~ form 22 for Ex fee + collect. How about postage a/c? How long will it take you to get my pay after expiration of this month. You know my business with the people here forbids me asking favors and ^{as} I do not wish them to think me under obligations to them. I must keep above them as far as possible and thereby have the authority so much required in this locality. as it is impracticable to endorse this you must look over the violation of Rev Army Regulations anyhow I do not intend this for file. I am doing any amount of business and having security on contracts where the employers own no property and particularly

Yours with Spence came all OK. Many thanks for
your kindness. The citizens subscribed almost
enough to finish School House and are favorably
to the movement and only object to female teaching
and proposed to find boarding among them for a male
teacher and an old man about 60 has made an
application for the position. I have made
diligent inquiry about him & find that he is a
good Scholar. Sober & respectable but hard on
for "Chink" now I can see one advantage in
employing a man of undoubted respectability
the people here will, so they say, assist the freedman
in finishing the House & keeping up the school
and then he can teach a night school and easily
get boarding. Mr. Mabbit says it is the same woman
& the freedman will not have her. I asked ^{for her} thing.
There will be 60 scholars at day school and
about 20 or 25 at night and now I am

what the tuition should be. The rules governing the
School should be examined at your office or here provided
you think it best. I think the chances are for a
teacher unless you can find one, about two thirds
of the free men want the old Gentlemen mentioned &
if I say so they would employ him but so far
I have said nothing about it for fear of making a
split among them the more learned among them want
him, & if you think proper let me know & I will
take the matter under consideration. but it is a
thing to be very cautious in, yet as the people gave
all except a small amount to build the House and
subscribed about \$10 Saturday I hope for the good
of the School that we may be able to get a Gentleman
as teacher. let me know your views at once.

The Case you sent note about was up before
the last Court and Atty. Kingsbury says he will
put it through I talked with him and we made out
a very strong Case & do not doubt our success.
The lawyers here take Cases for freedmen readily &
Mr. Bennett & Co. had case on Saturday for a freedman,
that had been robbing a Store the amt. taken was

Furnishment and He came to me before making
 decision + He says ^{Benett} ~~He~~ will get them out in a month
 by petition. Things are going all right but I am
 annoyed by the few freed people who can not get
 rations there is in this town + vicinity (3 miles and)
 only 16 in No. + if you can make some arrangement
 for them until 15 next month it will give me
 time to dispose of them in other ways as I have
 a promise that if you can furnish them meal or
 corn the citizens will do the balance. I think our
 new Com Agents are slow to do their duty to these
 people. Webbitt is coming down this week do not
 confide to ^{Civil Agents} ~~anything~~ ^{they will not do a thing} I am having many complaints
 about men cheating their horses last year where there was
 no contracts + I am giving them the hot end of the poker
 certainly do not let our Com Agts know that I am looking
 into their transactions, in regard to oppressing

 Captain,

I have the honor to state that
 I have tried to obtain boarding for a
 teacher but can not. I organized School
 associations in every precinct in this Co.
 and was doing all in my power to raise
 sufficient funds to have at least one
 School in each District but the Freedman
 appears perfectly indifferent and make fair
 promises to act in this matter but in every
 instance they have failed to even make any
 effort now with twenty dollars per month
 the School could have been going on but
 those sending scholars have not paid up
 & say they are not able to do so now. I am
 sorry to say that the freedman care so little
 about Schools. the two Schools going on one
 at Ocofles & one at or near Grooversville have
 refused to report saying that they are kept
 up by the neighboring planters and they must

not report to the Agt of the Bureau. Thus west
and the two names are the only ones able to
Keep ^{their} ^{their} Schools. and owing to the difficulties
about the church here (which is yet unincorporated)
there is no concert of action among the members
of the different churches, while this condition
of affairs exist not much can be expected
in organizing the school here. I have talked
with the County Judges about deeding the
lot for school purposes which they did
not wish to do. I will use every exertion to
obviate the difficulties in the way of
starting schools.

hired her to work for him after freedom
was declared. Was with him before and when
freedom was declared. He promised to pay
me as much as any of the other black people
were getting. Worked from May 1st 1865 (which
time I was told freedom commenced)
until about the middle of September 1865.
He has not paid me anything but one frock
for the time worked. I have asked him
several times, but he gave me no satisfaction.
He told me that his wife said I should
not receive anything more than I had received.

How the lumber was purchased for school house

Bureau of Refugees, Freedmen and Abandoned Lands,
OFFICE ASSISTANT COMMISSIONER, STATE OF GEORGIA,

Savannah, Ga., Feb. 23d. 1867

Dear Captain:

Yours of the 21st. inst. is received, and I am heartily glad to hear from you, and especially gratified by the interest your letter evinces in my dept. of the "F. B."

That "church, built for the Freedmen out of Govt. lumber", belongs to the freedmen, and if you will call on Rev. Jacob Shade (colored) he will show you the Govt's receipt for the money which he paid for the building. The building really sold was the big one which stands at the R. R. station, but the R. R. Co. wanted it, and we traded it for its equivalent ^{in cheap lumber} for the freedmen, to whom it was sold, at my bid, by order of Major Gen. O. O. Howard.

If the freedmen can get a deed in fee simple for the land on

MS. A. 9. 2. 67

the church stands, I will expend \$100.
or \$200. in putting it in good and con-
venient order, but can't do so as they
now hold it. Giles Rice (colored)
can show you the deed. If Mr.
Smith, who owns the land, will for
a consideration of \$5- or more give
the freedmen a clear title, they shall
have a finished church.

If another teacher is needed, the
school has greatly increased since
Jan. In that month there were
only 97 pupils and two teachers,
Mr. Pyne and Mrs. Hornond, one of
whom I pay \$50- and the other \$20-
with the understanding that each receives
an additional \$20- from the freedmen
making their pay respectively \$70- and
\$40- per month.

I send you late N.Y. papers
today.

I am truly yours
J. Oberhart.

The A. A. Comm. rules that, under this contract the freedmen are, entitled to $\frac{1}{2}$ the Cotton Seed raised on their labor, but must replace in kind or, pay for one half the Seed, purchased and planted on the place to raise the crop,

They can not be required to pay for any part of the seed used as a fertilizer unless it was bought and used with their consent, and with definite understanding to that effect.

If there was fertilizers such as Compost, Seed &c. on the place, they could be required to make a proper use of them, but cannot be required to purchase, or pay for, any purchased unless in the contract or definitely agreed on. Under this contract the Employers must furnish the Gin &c. to prepare the Cotton for market.

The freedmen must furnish the labor, and if by

competent evidence it can be shown that it is absolutely necessary to hire a skilled singer the freedmen must pay half of the expense. These are the plain stipulations of this contract, and no other questions need be brought into it.

Captain;

I have the honor to call
your attention to the fact that one
Peter Bibbey freeman contracted to
work this year 1867 for S. B. Martin
in this County. A short time after
the contract was made Mr Martin
advanced him some money to go to
Thomas County to collect his last year's

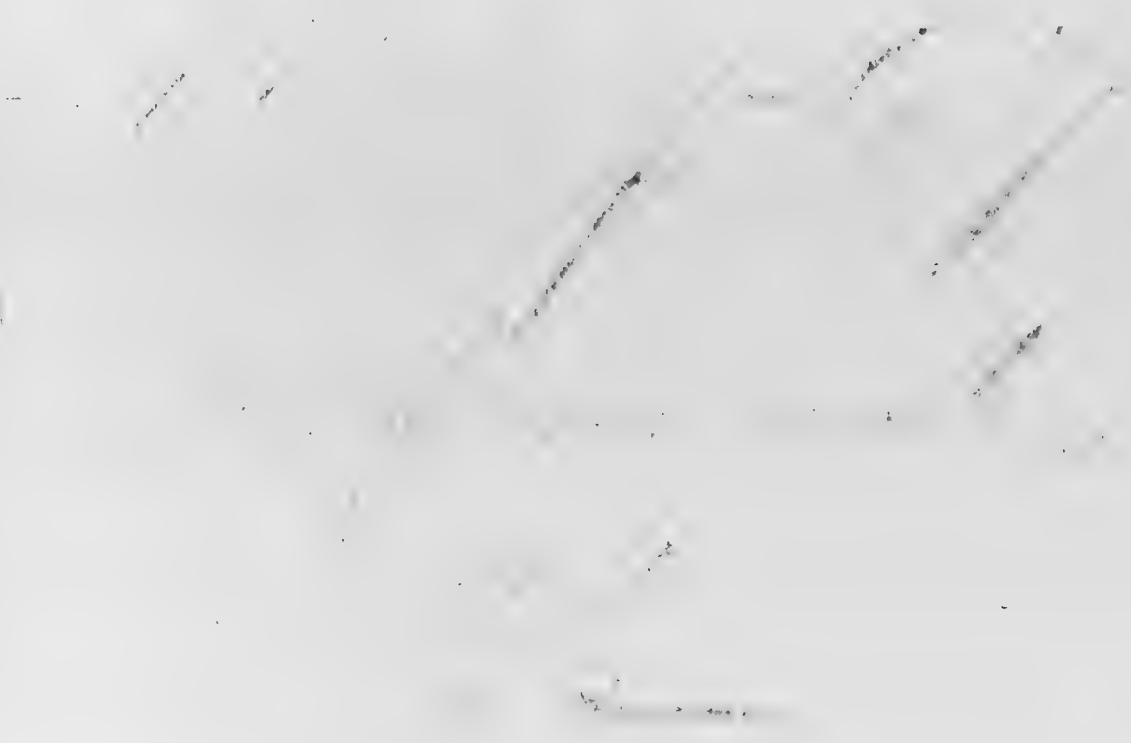

wager and he left Mr Martin on that
errand.

Shortly after this word was
sent to Mr Martin that Peter had died.
Mr Martin has since learned that he
is now at work on Mrs Brownings place
seven miles from Thomasville.

Can you not "induce" him
to return, and fulfil his contract and work
out his debt to Mr Martin?

Sir

I have the honor to state, that your communication addressed to Capt Pickett & Co. in regard to Thomas Boyne alias I. J. Puffer, which man you suppose, to be a deserter of the 17th U.S. Infy, was referred to me for action. In reply I beg leave to say, that in your letter you set forth, that the prisoner's name is Thomas Boyne, but that the name I. J. Puffer, is engraved on the canteen found on him. It is therefore necessary, that you will ascertain, if the man is really a deserter of the 17th U.S. Infy, and should your suspicion prove correct, you will send the prisoner under guard to Savannah, and turn him over to the local officers of the Ord, taking the necessary receipt therefor. Great care will be taken, to ascertain the facts of the aforesaid case, as, should your report prove incorrect after turning the prisoner over to the military authorities the Government would have to

pay the transportation, which would be a useless
expense, inasmuch as the 17th Inf is stationed in Texas

Before me came John Griffin, who
on being duly sworn doth depose and say, that
some time in the Spring of 1866. There was a
Society formed, and I was told Five Trustees
appointed, two of which I can remember, Mr.
Wallace Sherman and Leamon Spaul. I was
told the object of the Society was to support
the Orphan Asylum and to provide medical attendance
for the sick who were unable to pay for it
themselves. and to purchase land for all those
who belonged to the Society, or to do some
meditation we changed to back when they first
formed, and I was sworn after-wards we were
to put in what we could afford for the purchase
of land. I paid in for that purpose \$400.
others as they could afford. I was told that 900
belonging to the Society, having heard that the State
was dishonest and had appropriated the funds
of the Society to their own use.

The Society broke up after some time
about intrigues. I have never been informed
for what purpose the Trustees used the money
collected, other than to their own use.

Sir

I have made diligent inquiry, and find that there are in this county twenty white persons male, and female, that are in destitute circumstances, and nearly all of them entirely dependant upon charity, for the actual necessities of life, several among them, that have large families of children, not included in the number.

There are no supplies being distributed at this time in this county.

This is an answer to several of your questions, as to the best manner of distributing supplies, I think it would be best for you to appoint an agent for that purpose.

There was an appropriation made by our State Legislature at its last session, but the Superior Courts have until the 1st of April to make out their report of the names of the Beneficiaries, and I think some of those mentioned will suffer before that time, and if a little could be done for them sooner, from other sources, it would be doing them a kindness.

I am apprised that my
jurisdiction does not extend out side of
Lowndes County, but when I know of a
case, where justice has not and is not
likely to be done, I feel it my duty to
let it be known at Head Quarters—

The case I allude to is of W Howell of
Hamilton County Florida, he lived in Echols
County Ga last year—but removed the first
of this year just over the Ga line, and is now
living about one mile south of the line of this
County but in Florida—He had a freedman
by the name of Washington Hozendorph, his
wife & two grown daughters with him last
year—he promised them the sum of One
Hundred Dollars, for the year's service they
worked there until about the first of
December—he managed to get them off
of his place, they received twelve dollars
from him—and that is all they can
get—They done him good service,

and if he had paid them the whole
 amount promised - they would not
 have been well paid - I have made
 some enquiry about the freedmen's
 statements to me, and find that
 they labour faithfully - I am rather
 disposed to think they have not
 received the treatment from the
 agent of Echols, that they should -
 this is given for the benefit of the
 freed people - and it will be to my
 advantage to not be known in it,

Capt. W. P. White;

Dear Sir.

Tomorrow being the "4th" there will most probably be a very large crowd in town, individuals of which, both white and black, may be disposed to raise a disturbance; in which event, the probabilities are that a riot would ensue.

In order to guard against any thing of the kind, to preserve the peace, good order and safety of the town and to carry out the spirit of Gen. Pope's order, it might be well to suppress the liquor trade during the day. At any rate, no harm can come of precautionary measures; and I would therefore respectfully request you to issue an order forbidding the selling or giving of spirituous or malt liquors to any person during the day, and that you will permit your men to assist us in regulating order.

I am, very respectfully,

Questioned by G. W Jones, where were you living when I went to your house and ordered you to go to the war and what was my message to you? I was then living in the 19th Dist. - Jones said to me old fellow - you must fix your duds and be off for the war. I asked him by what authority and he said he was appointed enrolling officer and was to see that I & others went to the war.

Question. Did you ever know me to aid or assist -

in the rebellion. You did so for an
enrolling Officer. I heard you say that they
all ought to go. Have heard you say it time
& again. By the Court. what has been Mr
Jones position since the war? Ans. For
some time he was very much dissatisfied
with the termination of the war

 Bureau R. D. & C. H.

Cambridge Ga June 20th 1867
 Col C. C. Sibley
 Sir

It was with feelings of no ordinary regret - that I learned Charges were preferred against me by a Citizen of my own County - of so grave a nature as to demand an investigation. That investigation has been hastily had - And I trust that you will permit me to avail myself of the opportunity of submitting to you a Candid Statement of fact in response to the Charges that have been alledged against me which statement Capt White has kindly consented to forward in connection with the evidence taken at the investigation alluded to -

And in the first place I will say that - living as I do twenty miles from Town I do not have the time nor indeed the desire to summon witnesses at the investigation to rebut the Charges against me but submitted the whole matter - without effort - on my own part - to the investigation of Capt White - only offering two witnesses in conclusion - who are living in Town and one of them not so well acquainted with my

antecedent as many witnesses whom I could have obtained by per-
sued and who would have testified in my favor if the time
had admitted - or if I had thought it important - I would
not -

To the first Charge I will say - that having been a
influenced not only by the Speeches of Leading Politicians
but also by the advice of some of my friends I voted for
Secession not knowing what the result of that vote
would be when it was cast - But when the War
began with the Union dismembered - and when I fully
comprehended the magnitude of the evils entailed upon the
Country by Secession I deeply regretted having voted for
Secession and so expressed myself to a few of my intimate
friends - To have expressed my feelings at that time repeatedly
& publicly would have been indicative of heaping contempt
on my own head in the opinion of many without produ-
cing any corresponding beneficial results.

I never aided the Rebellion as such aware further
than I was forced to do in paying taxes & attending
my Son who was a minor at age went into the
war against my remonstrations - He was living at
the time he joined the Army in Bainbridge about twenty
miles distant from me - While he was in the Southern
Army I sent him some clothes from the ...

than by paternal affection and humanity than any desire
 to aid the rebellion - I never went into the service until
 I was forced into the Militia in July or August of 1864 -
 and I paid very handsomely to get out - indeed than
 a Month after I was forced in - giving a likely negro
 fellow to get out - As to the Charge of being an enrolling
 Officer I must say that it is something new to me
 Mr Williams by postponing the investigation a few days could
 have obtained the evidence of the Chief Enrolling Officer
 of the District or have given me some to have done so and
 let that matter forever at rest - I remember that I was
 in Cambridge when the news came that Gov Brown
 had called out the Militia to the age of 50 years - upon
 going home I told Mr Williams & perhaps others that I happened to
 see the news and told them they had to go to the war
 now Mr Williams said he disliked to go - I told him I did
 also but what could we do - we would be forced to go whether
 we wished to go or not - by the Enrolling Officer - I may some
 time during the war have used some Stereotyped expression
 - or some common phrase a that - time some which
 some party or another might have thought me disloyal
 to - I am sure I said but little on the subject - or perhaps
 during there as from a sense of the fact that - matters would
 do but little good had my inclination to discountenance

He was - been ever so strong - and I am sure that I did
 but little - that I was not forced to do either in word or action
 to further the Cause of the Rebellion - I am an humble farmer -
 never had much to do with politics more than to cast my vote, my
 influence was limited - such is a simple statement of facts connected with
 my conduct during the war - I have admitted that I voted for Secession
 ignorant of the effect of which I did - and I will say that before I
 received my appointment as Bureau Agent - and before I took the required
 Oath - I told Capt White the fact that I voted for Secession - and also that
 I afterwards regretted having done so. I soon after the surrender in 1865
 took the oath of Amnesty resolved as a loyal Citizen of the United States
 to support the Constitution and obey the Laws of my Government - so far
 as I had the ability to comprehend and discharge my duty - I have
 tried to do so up to date - and expect God giving me the power to con-
 tinue to do so - As Agent of the Bureau I have labored to do my whole
 duty in strict conformity to orders - and in a spirit of justice to all
 parties - at all times looking honestly and justly to the interests of the
 ignorant freedmen I think the freedmen have no complaints to
 make against me - and I will leave Capt White to be the judge
 of my integrity while acting as Agent - It is very probable that I
 have made enemies while Agent - If I have I am conscious of having
 done so in the honest discharge of my duty - and that is now my
 consolation - I will charge none of my fellow Citizens with trying
 to remove me from motives of prejudice or hatred - Let facts speak
 for themselves - I will only say that if I have become odious
 to any of my neighbors in holding a public Office - it is not my
 desire to intrude upon them especially if I am an unworthy
 incumbent of the position. I confess I erred grievously in voting
 for Secession and that was not an error of the South - I have
 attempted to repair of that and to repair it - by a course of
 course of conduct - You will see the evidence against me
 I submitted to the strongest case they could make against me
 with little effort - on my part to rebut it.

Respectfully Your Obedt Servt -

Mr. F. J. Gould
who has been teaching the colored
school at Thomasville, reports that
he will have to discontinue it for
want of support. By a great effort
on your part & that of the colored
people is it not possible to support
this school without aid from abroad.

Please report to me what kind of
a man this Gould is. Is he a man
of ability, capable, moral, and
energetic? Would he be a suitable
man to recommend to the A. M. A.
to be employed by them? Write at once

Yours of 25th July to Supt of Ed. is ^{aid} rec'd. In reply I have to say, the Bureau will, in renting or repairing school houses; and in building where the colored-people or some responsible Society, have clear titles to land for School purposes. The expense must first be definitely authorized in each case from this office, and then the bills to the Amt. Authorized will be paid when forwarded. The A. M. Association have promised to send Teachers with Salaries paid, whenever the board and other Expense is guaranteed by the Colored people or others. \$30 per month will more than do this

Respectfully referred to the
Trust Co. for his information
and Orders. This land was
sold to McKelvin while it
was under execution.

The Deed was made before it was sold. I am informed that there can be no action in the Courts except for debt. The man is not worth the money. It seems to me that it is a subterfuge as Bryan knew he could not make a title when he sold it.

 before me, you being duly sworn deposes as follows:
 That he paid to one Morris Bryan \$88.00 for 2 acres
 of Land situated in the County and state aforesaid,
 was to pay him \$125.00 for the land, gave me
 a Deed for said land when I paid him the \$88.00
 Told me it was a good Deed, but I have since
 found out that it is worthless, and the land that
 I bought from him (Bryan) has been sold to other
 parties. I went to him (Bryan) and he told me
 he would pay me back some of the money, but
 he could not pay back it all as he is not
 able. This he told me about a week since but he
 does not appear to be willing to pay me back any.

Charles Mitchell (Colored) personally appeared before me, on being duly sworn deposes and says as follows. That he made a Contract with Dr. B. J. Brice to work during the year 1866. He promised to pay me \$10.00 per month and my wife \$6.00 per month and furnish provisions sufficient for our support during the year also medical treatment during the year, which he neglected to do. I was sick three weeks and he never came to see me or send me medicine, my wife was sick several times and he failed to come and see her or send medicines.

We were five months without being provided with provisions, and must have starved were it not for help received from colored people in the neighborhood.

He has only paid me \$20.00 during the year and has paid my wife none. My wife and children are now suffering for food & clothing. I have asked him several times for my pay, but he put me off on one plea and another. He promised that he would pay the money into my hand at the end of the year when I made the agreement for my year's labor.

Oliver Benjamin (d^d) personally
appeared before me on being duly sworn docket
depose and say as follows, that - I am Benjamin
Cold, to whom she is now married. says that two
of her children, a Boy & Girl, and respectively
12 and 15 years of age, were bound out to
a man named Griffin. That he (Griffin) had
a paper made out and told her to touch the
pen, that she did not know at that time
what the paper was for, but has since learned
that it was to bind out her children to him.
That had she known this fact she would
not have touched the pen. He (Griffin) has
had the ~~mother and~~ children since freedom
without paying them for their labor & he has
also had their mother until last July when
she was taken away by her first husband.
That she went to Judge King Station No 11 A &
E RR, who told her she could get her
children. she then went to a man named
Lyman Sermon who claimed to be a Bureau
Agent. he told her that she had touched
the pen to bind them out and could not
get them back.

Bureau R. F. and A. L.
Agents Office
Stockton Ca. Oct 17/67

Respectfully returned to
the Post Office through Lt. A.
G. Rieley, L. A. Comr with the
information that Oliver Ben-
jamin never had James for
wife except a short time
previous to their freedom - since
which time he has had any
one whom he could get to
live with him, and has of late
attempted to keep two wives -

As for the children
referred to, they are but 10 &
14 years of age instead of 12 &
as stated, and were bound as
legally as could be just after
their freedom to Rev. Wm W.
Griffin (who has raised them
from infancy) by James their
mother, who was living at the
time with a colored man by
the name of Thomas

The indenture was witness-
ed by Chas A. Griffin, J. P. who
states that no but then four
persons were present at the
time, and that it was read to
James and was declared by her
to be what she wanted before sign-

ing it. The indenture was
then approved by Charles C.
Hallett Capt. 103rd U. S. Inf.
Co., 1st Reg. at Hannuville Ga.
James gave her silent
consent to the indenture re-
maining herself under contract
with Mr. Griffin for nearly
two years - at which time
Oliver makes his ap-
pearance and claims James
for his wife - and induces her
to violate her contract with
Mr. Griffin

Oliver having represented
to Judge King that the children
were his, the Judge told him
that he could obtain them from
Mr. Griffin

The worthless character
of Oliver is well established
in this section, and is now
in jail at Thomasville Ga. for
Theft. James has removed
from No. 11 A. S. R. R. to Thomasville
and has no permanent mode
of living - hence if the indenture
should not be considered legal
I would suggest that the chil-
dren be not turned over to
such parents. I have seen the
children, and have learned from
disinterested parties that they are
contented, and are well cared
for by Mr. Griffin. As to Mr. Griffin
being "a bad man" I cannot find
any evidence to substantiate the

charge in this vicinity, and
furthermore he (Griffin) expresses
his willingness to have his standing
tested in Thomasville Ga. at which
place he lived a number
of years

Make affidavit that his child Henry was bound to him for indenture as per

Bureau R. F. M. H.
H. L. Sub. Ind. Memor. to
H. M. S. L. M. H. M. H. M. H.

Respectfully forwarded to the Apt Court for his approval. I have carefully examined into this case and find that the child was bound without the Father's consent or advice in fact the Father was entirely ignorant because the mother died when Henry was quite young and she was taken in to the house & raised by her owners (Mr Jones) It is notorious that they (Jones) were her masters & a private inspection of the child discloses the facts set forth in the affidavit. He was apprenticed by the court in the 24th day of Oct 1866 under the approval of Capt Jos. C. M. H. The indentures sets forth that she is twelve years of age when it is claimed by the Father that she is fifteen years of age. The dissenting parties allege that they believe she is that old yet she is quite small. The Father prays that his child may be given to him. Under the law the parents are entitled to their children & in this case it is my decision that the Father have this child & that the indenture is therefore null.

State of Georgia } ss.

Personally appeared before
me Henry Parnell of Decatur County Ga
who on being sworn doth depose and
say, that I am the father of Penny a
child about fifteen years of age, who was
bound to one Thomas Jones of Thomas County Ga
on the 29th day of Oct 1846 without my own
wledge or consent.

Penny and her mother were formerly slaves of
said Jones. her mother died before they were
free. As soon as we were free I went to Mr
Jones and tried to get my child but he told me I
could not get her unless I got her according to the
law. I tried several times to get her away but
for I knew she was bound. I did not know that
she was bound until about the first of Dec 1846
I lived in Thomas Co near Mr Jones last year.
I know Mr Jones to be a hard master; and I
am informed by good authority that my child
is badly treated. That she is beaten up on Sunday
and whipped and abused at other times.
That I provided for her as much as I could while
we were slaves.

 Commanding Officer Thomasville Fla.
 Sir.

Upon my return from making my payments in Florida I learned that there was a detachment at Thomasville that had not paid for a long period. I inquired of the Comdg. Officer at Savannah if there were any troops to be paid in that direction and he informed me that there were known. It would have been very convenient for me to have paid them when on my way to Tallahassee. If you have but a small detachment, and will send me the rolls signed by the men & witnessed by an officer with an order from the men to pay the sum due them to their Comdg. Officer I may be able to send their pay by express.

Hoping to hear from you very soon

Pitts & Hill Planters

Dear Hammond & Davis, Attys at Law
I wish to state that Pitts & Hill are farming
with freedmen for the present year
and submit to difficulty that the dea-
mon of the great Commanding will effect
master's property. That Capt White has ruled
adversely on the several points presented ex-
cept in this statement encloses Contract
signed by him and Mr. Kraswell's affidavit sworn
to by "B" I understand the real nature of the contra-
ct. I agree to give the freedmen half man
and board on the place & furnish land
and tools to make the farmer work. The
freedmen claim that the employer is to have
half of the seed without cost and that they
are entitled to half of the seed made
which the employer receives. These reasons
1st the seed used in planting were purchased
by the principle, 2nd the seed on
the place claim is that the seed should be
in seed,
2nd that a large quantity of seed was
lost as machine, it having been held back
by the freedmen as they did leave the farm
in a bad condition as a condition as when
the seed was placed upon
and that established usage of custom in all
Georgia, raising cotton is that the seed be held
as a reasonable return for the work done
of the seed is in paper and the seed has the
seed belong to the freedmen in the same
seeded by the employer
I think in this instance the employers are
compelled to on their account and to pay
them out of their own means, labour to do
the work as only one of the freedmen
is competent to manage the machine
that if they could manage the machines
they could not at this time attend to it
without loss to the place on account
of scarcity of labor and for this

Bureau R. F. & Co.
Office Dist. Act Comm.

Thomasville Ga. Oct 8th 1867

Dear Sir -

I have the honor to acknowledge the receipt of the enclosed paper for the Act Dist. Comm. decision.

The custom of the County give the freedmen the Cotton Seed and no - Cape White ruling. It will be observed that the Contract is not approved by the Bureau, they have no use for the Bureau except when they get into trouble. They agree to furnish land, team & tools, & claim that a Gin House & Ginn is as much the tool of a well regulated Cotton Farm as a hoe or plow. He states that the freedmen claim ^{that} their half is to be ginned without cost to them, this is not so. The freedmen claim the right to gin the whole crop and are willing to have the Skilled Farmer but claim the right to furnish the other hands which they can do without coming to the place. The Cotton Seed is never retained except by special Contract. To reason ^{that} the Planter is always expected to furnish the seed unless otherwise expressed. You will see that the ginners purchase the Seed and it seems that the other planter is not interested, he also says

there is no seed on the place, and then claims that it should be left in as good condition as they found it. This we agree to.

- 2^d The Contract does not require the freedmen to pay for the Cotton seed used in fertilizing. That established, we agree give
- 3^d The Gin the Cotton seed, is merely a matter of special agreement and not a custom here. In this case the employer does not own the land and is simply one of the number of the freedmen in the place for the year. He has no interest in the land or its value. The claim is for Dollars & cents and not for the value of the year. We proposed to leave all the seed on the place which of course was not agreed to.
- 4th The employees are not bound to employ on their own account. I Ginner & the men to whom it is done, your choice and it can easily be proven that others are as diligent but not so skillful as it is said of labor. One of two things are true. The labor is inefficient. There is a large crop. The say there is not a half crop then there must be labor sufficient, as said they were no good to employ this Ginner, except for the Ginner.
- 5th Do Ginner and tools include a gin & press as before said I rule that it does, no well regulated Cotton gin can dispense with a Gin & Press.

are the ones I have seen - I have seen -
are coming to agree that the game was done
until the cotton is ginned and packed for home -
and all relations have started it to make sure of
cost - but because the question was raised in
the room until the cotton was in, I must

This is almost universally admitted the question
in other contracts have agreed to divide the seed
I have been called upon to require them to give
back the whole of the seed to the owner - The question
have never refused to surrender the labor while
the cotton is in the gin, but refused to allow them the use of
the gin, and thus the planter has ever objected to
it. I do not know but he is a good man and
it is to be sure, he is not in this complaint; but
the cotton yields obedience when made to, and only
permits them freedom to get their own property
compensation by the Bureau.

My decision is that the cotton is obliged to
furnish fuel & seed & thus to give the planter
the freedom to furnish the labor to the owner
that if the planter will not let them put it on
on their own account employ extra labor they must
pay for it themselves and thus they cannot make

The greenish grain is hard - it will try
resist to germinate the labor and ita (Ditto &

Yours, &c.

The only person of the name of Thomas who has been employed in the service of the State of New York is the one mentioned in the letter of the 10th inst. and in the letter of the 10th inst. and in the letter of the 10th inst.

an "to furnish land to grow & sell to make a profit
with" does not include any obligation on their part
to furnish & equip & run let their own cost a cost
for the benefit of the laborer, nor does this, in
any other provision of the contract limit the
laborers to furnish at their own cost any article,
or any labor that may be necessary to prepare for
market & that portion of the selling price is the la-
borer's own as they have to deliver at their own
cost, any part of the laborer's cost, in market.

The Commission, Messrs. Pills & Hill, in
respectfully to state that they are ready & willing
to deliver to the President of their employer, and
that all the labor as it is required, and that
the laborer is that the laborer has the entire
possession of the market with the machinery, and
the laborer, but the fact that the laborer is
willing to furnish all the labor necessary to prepare
the laborer's cost in market & at least, that for
himself & if the employer is satisfied & has
willing labor to give the cost, it is only right that
the President should have the employer's share of
the market, and labor, it is not improper
to state that the fact is that for a decision on the
case there is a case of the President's opinion of the
case to the requirements of law, & finally to the
requirements of that Department of the
Government charged with the superintendence of the
affairs of the President, and the President is not
to be a barrier from the proper authorities - being that
their claims will receive a fair & impartial consideration

I have the honor to acknowledge the receipt of your communication of 6th Inst in regard to fresh beef acct of J. B. S. S. during November 1867. I find by referring to my accounts that I was in error in stating that I forwarded a check to J. B. S. S. I find however that I paid the amt of the contract in cash to Capt. C. S. S. who he was ⁱⁿ this city in December last. I did not take a receipt from him for the cash as I did not think of the possibility of Capt. C. S. Decatur County
Sub Dist. of Thomasville
Thomasville
May 31/87

Georgia) To E. C. C. Quincy & Son
Deputies) Bar. J. & L. for the State of Georgia

The petition of John C. Rutherford attorney and
Counsellor at Law, duly commissioned and sworn
to plead and prosecute law in the several
Courts of law and equity in said State

Respectfully sheweth

That on the 24th of
of March 1867, one Thomas Ragan of Steel
County and State aforesaid did make a violent
assault upon one Maggie Williams a colored
woman with intent to murder her by striking
with a knife. That after the striking your petition
was sent for by the said Maggie Williams.
That going to her and side he found in such
a condition from the nature of her wounds,
that she was unable to communicate to
him her wishes - That he conceived that she
must have sent for him in his capacity as a
Lawyer and moved in sympathy for her. He
went to his office in the City of Birm-
ingham and was in the act of taking out a
Warrant - for the said Ragan, when one
David Williams a man of color of said City
of Birmingham came in and asked his desire
where a warrant taken out for the said
Ragan the perpetrator of the crime against
the said Maggie Williams and to prosecute the
said Ragan. That your petitioner then went
to the House of A. J. Crawford Judge of the

said County Court with the said Isaiah Williams.
 and the said Isaiah Williams made the necessary
 affidavit upon which the said Judge issued
 his warrant for the arrest of said Thomas Ryan
 upon which warrant he was arrested and
 brought before the said Judge for the purpose
 of appearing into the charges against him -
 That prior to the hearing of the said case - your
 petitioner seeing the said Isaiah Williams on
 the street called him into his office and con-
 vided of him as he still desired him to prosecute
 the said Ryan before the County Court -
 That the said Isaiah Williams asked in
 asking what would be the charge? Your petitioner
 answered \$40 The said Williams then said
 he would go out - and he would return in a
 few minutes and let him know whether
 he would sue for him. That upon his return
 he said that he did not think he would
 be able to pay \$40. Petitioner then said that
 he would allow the said Ryan provided she
 received it from you - \$20 of the fee. That the
 said Williams then remarked that he did not
 think he could jump petitioner - then told me
 that he was beating his color and his head
 beating out to admit him. That in answer
 he would charge him \$20 and if the fee
 did not recover - he would look to him for
 the whole fee \$40. To this proposition he
 agreed and told your petitioner to go on with
 the case. That afterwards the case was

referred to.

That at the appearance ^{justice} term of said Court the said Williams failed to appear and allowed judgment to go by default. That at the judgment term of the said ~~Court~~ ^{Case} the said Williams still made no appearance on answer. Thereupon the Court gave judgment against said Williams in the said case for the sum of \$1000 and pi sa issued accordingly. Now your petitioners are that during the pendency of the said suits James M. Jones then Agent of the Freedmen's Bank for the County of De Kalb had knowledge of the pendency of said suits and concealed from the petitioner on the subject of the said suits and made no objection thereto. But allowed them to proceed, and your petitioners further are that Cyp-White Agent for the Freedmen's Bank for this District having his Head Quarters at Nashville Ga. being on a visit to Birmingham was notified of the pendency of said suits by the Dep^y Williams, and that the said Cyp-White interposed no objections to the progress of the said Cases before the Court but advised the said Dep^y Williams and advised the knowledge of your petitioners or the Court from whom the suits were pending to make no defence but let the said suits go to judgment, and that he would arrest the judgment of the Court and prevent the sale of his property. That on the thirteenth of July 1862 the pi sa issued on the said Cases were writ by the proper

NARA 568
said your petitioner representing the said William,
the Prosecution in the case and the said Ragan
was committed to jail & await this trial
before the Superior Court of said County and
that he is still in the jail of said County
awaiting his trial.

~~Your petitioner~~ That after the commitment of said Ragan
your petitioner issued upon the said William
and proposed to him - \$20 of the \$40 charged
for the commitment, &c.

Your petitioner further shows
that after the commitment of the said William
he said that Maggie Williams a woman and
crafty witness against the said Ragan was
about to leave the County & the said William
came to your petitioner and employed him to
bring over the said Maggie as a witness in
said case. That he accordingly to this end and
did succeed in bringing over the said Maggie as
a witness. That by reason of this additional
service the said William became indebted to
your petitioner in the further sum of \$20 the
account of \$40. The said William refused to
pay and your petitioner accordingly comman-
ced his suit before N. L. Cloud Justice of
the peace in and for said County of Decatur.
Notice of removal suit was duly served according
with the law (copies of all the proceedings in
said case are hereto attached and respectfully

petitioner. So the end that your petitioner might have
all the lights before him in making his appeal
to higher authority on presenting the order received
by your petitioner to Capt. White. He acknowledged
the Order to be given by him petitioner then stated
that he desired to make his statement of facts
in the case, saying that he was aware that what
he would say would be interested testimony and
that he made his statement against the Dept. of the
Dept. who was also an interested witness
but that he was prepared to substantiate all the
statements he should make by disinterested testimony.
Petitioner then made his statement after which the
Dept. Williams then made his, when Capt. White
remarked that he was satisfied that the Dept.
had been made the dupes of superior intelligence
or words to that effect.

Capt. White then ^{further} said that the Court
exists only by permission and that he would
interfere at any stage of the proceedings in a Court
when he thought the Court was not getting on.
But in this case your petitioner advised that
Capt. White has acted with some information
and that procured from the Dept. that he
knew the case was progressing and made no
effort to take the case out of the Court. He
in the County during the pendency of the case -
but advised the said Williams (though he had sworn
in Council) to make no defence as he would
stop the sale of his property when execution issued there.

Office of J. B. Rutherford Esq. - where entered
said Office the subject of conversation ~~with~~
between myself & Rutherford was "an ~~assault~~
with intent to murder" alleged to have been
committed the morning previous upon one Maggie
woman of Color - by one Thomas Ragan.
During our conversation my recollection is
that J. B. Rutherford told me he had entered a
manuscript against Ragan and that Isaiah Wil-
liams had spoken to him to prosecute the case
that said Williams had gone out of his the
said Rutherford's Office, but would soon return
and give them a decided understanding in
the near time my recollection is that Mr.
Rutherford told me that he would charge
Isaiah Williams forty dollars for prosecuting
Ragan but asked for - ~~money~~ - she should
recover work out twenty dollars of said
forty after the above mentioned conversation
between myself & Mr. Rutherford my recollection
is that Isaiah Williams came into the
Office of Mr. R. that the conversation
ceased between myself & Mr. R. and began
between Mr. R. & Isaiah Williams on
the subject of prosecuting Ragan I was
not called upon to witness any contract
or agreement between them said but after

attention to what was said, but the impression was made upon my mind that Daniel Williams employed Mr. Ruthenford to prosecute & commit Mr. Rayner, subsequent to that but during the same day - I was spoken to by another party to ask Mr. Ruthenford in prosecuting Rayner - Rayner was committed to jail but some time after this commitment when I was the party assaulted and the principal witness in this case had partially recovered I was thought she was going to leave the place Daniel Williams requested Mr. Ruthenford to have Maggie bound over to appear as a witness against Rayner at the Superior Court, which was done.

the facts in the case so far as they came

On Monday the 25th March 1867 the morning
after the attempted murder I met Isaac
Williams and spoke to him in reference
to the employment of W. McFie Esq to prosec-

to kill Maggie Williams. He stated to me that
he had intended to employ Geo C Rutherford

whether which expression exactly that he used,
He said Mr Rutherford had promised to prosecute
the case for forty dollars that he Rutherford
would give ten dollars of the fee himself,
and would took to the jail Maggie Williams
to work on ten dollars. If the fee if she got
well. Some time after Ryan was bound
over Isaac Williams said to me that he
heard that Maggie Williams intended to leave

Mr McFie & Mr Rutherford were going to
try to bind her over to appear at Court to

Isiah Williams Colored, personally appeared before me on being duly sworn to depose and say that Mr Rutledge called him into his Office. Asked him to sign a paper which he had ready, asked what it was, told me it was about the case of Maggie Williams who had been stabbed by a white man named Reagan. Told me it was necessary for me to sign it. I have justice done to the Colored woman. I told him I was not willing to sign it without other Colored men would join me. He told me to go and get some Colored men to join me and sign it. I tried to get several to sign with me but could get none. I then went to his Office (Rutledge's) and told him I could get none. He told me to sign it myself and it would be all right. and he would see justice done to the Colored woman as it was not of much importance anyway. and perhaps the Colored people would pay their part. I then signed it. Though ignorant and without understanding the papers. He now wants to hold me responsible for his fees, and has writ on my breast.

 Dear Sir

I have read the letter-
 addressed to Paul Pope Esq. of T. Burton is
 resolved to be returned - made point of view
 employed to work in 1866.
 There was some controversy about cost of
 but no was submitted, the laborers denied
 the cost of time, there was much confusion
 in the settlement, & in some instances con-
 tradictory - The Contract you will remember
 was signed by H. K. Kenon although the
 plantation was carried on by Burton &
 H. Kenon - H. Kenon said he was worth
 nothing and the could do nothing for him,
 I told him and Burton as they accepted
 jointly the labor of the freedmen that
 Govt would see to it that they paid them,
 from the conflict of statements - I think
 the settlement approximately what was equitable.
 There was an evident desire to evade

a settlement after a delay which was
inevitable. I do not think the parties
have any ~~good~~ ^{reason} to complain.

I called on Alfred Dundas yesterday to settle a promissory note I held for him which note was made payable to A W Shackelford or bearer. Alfred said you had ordered him not to pay said note or give up the note. I am persuaded that there is a mis understanding about this matter or rather a want of a proper statement of the fact.

In the first place said note is a negotiable paper and fell into my hands for value received before it was due.

Augustus was owing me over \$1000, two hundred dollars. Sold the note for my benefit against Augustus. Certainly not due that girl a cent. She worked for Mr Calahan. This Alfred Dundas could do better, and if Calahan was he settled with Augustus he should have his receipt; but he made no settlement with Augustus.

If there be any just demands there against Augustus he left accounts due him in his own name, in hands of Mr J Loin, to collect. To the amount of (over) five hundred dollars. This does not look like he was trying to evade the payment of

In a few days I shall visit every District in the County to assess the U. In regard to attending Sunday School, - it certainly seems that - any one who has his heart in the work sufficiently to make him an efficient teacher, would be glad to take part in the S.S.

None of our teachers in Atlanta - would think of abstaining themselves from S.S. But I suppose as the teachers are not in the display of the Bureau they are not under its control in this matter.

Capt. M. F. White,

Sir:-

Yours of Aug 13th to Gen. Lewis concerning appointment of Miss Minnie Guthrie, also of some date concerning Dr. Gould, also personal letter to the Gen. have been referred to me as State Supt. Ed. to answer. I am now waiting some instructions from the U. S. A. concerning employing teachers for them in Ga, and when I receive them I can act in the case of Miss Guthrie. Her case will be favorably considered. Your information concerning Dr. Gould is valuable. I hope he may be able to continue at the work. His name is not on Mr. Elihu's list for July, and we are still waiting for an answer from him explaining the matter.

Perhaps you are not aware that the fund for the support of teachers is entirely expended; this is the case & the Bureau can pay no salaries of teachers this next year. All the support beyond what the people & give themselves - must come from Northern and Southern & other friends. - Much will be done this year in this

way, but I fear but little in comparison with the demand. Under these circumstances the people must do all in their power to aid themselves. We are rejoiced to hear of what is being done in your county & district & hope the good work will go on. I shall rejoice to give any aid in my power.

Sir Having received

the accompanying note this day think it best to make a statement of facts in this case; About or near three months since we hired a Freedman (by name Joseph Robinson) at ten dollars per month a few days thereafter the bearer of this note calls at our place & informs us that he is the Father of said Robinson & also that he is a minor & requests us not to pay over the same to said minor whereas we said to the elder party that we would hold up the wages for one week to give him an opportunity of visiting Hamovill to consult the authorities in the premises; At the expiration of the time we proceeded to pay the wages to the said Joseph Robinson & have continued to pay him monthly up to this date thinking that the old man had given up the matter not calling to see us at the end of the week given him; These facts are provable by several labors on our premises both white & black.

As to our standing &c we would refer you to J. A. Sumner & Bevington & McLean or any of the older inhabitants of Hamovill

I write to you this morning in regard to the ladies saying that in some good piece for them to have, except at that time when I was sorry to see the letter to the ladies come to me as Mrs. Since writing Mr. [unclear] myself & some of the School Committee have been talking on the subject and have concluded to lay the matter before the ladies of the churches here and see if they would give their countenance and assistance in the matter. The society that sends the teachers being of a religious character I don't think churches can conscientiously withhold their approbation. If we can accomplish this, I think it will disarm the prejudice the people have in looking upon the matter in a political light. And it will make more pleasant for the ladies. I hope you will be able to hold on to the ladies for a few days, until you can hear from us again.

NARA 863
Bureau R. F. & A. S.,

Barnbridge, Jan. 31, 1868.

Jack Wright, foreman ^{of one squad} on the estate of the late S. Davis Tonge, being duly sworn, testifies that in contracting with the said Tonge, he and the other hands were promised meal at \$1.50 per bushel of 48 pounds, and bacon at 14 cts per pound, regardless of market prices at the time. Major R. H. Whitely was present at the time.

"Nat" Wade foreman of another squad, ^{being sworn,} testifies to the truth of the above, he being also present.

Elijah Wright being sworn substantiates the above. He admits that once in the season, a ^{small} supply was obtained from the home-market for which 25 cts ^{per pound} were charged and allowed by freedmen.

Henry Williams corroborates the above, and also admits that for one small lot they paid 25 cts per pound.

Moses Arnet's testimony agrees with the above.

Mr. Tonge has no witness to prove the contrary, but he states that his father told him that the hands were to be furnished at

market prices. His statement of the case
is forwarded with the papers.

Sworn to before me this 31st of Jan. 1868
as being correct to the best of their knowledge
& belief.

Statement of agreement between
my self and J. O. Hoyle in regard to
making a crop on the Plantation now
owned by Mr J Law the agreement was
as follows I was to furnish the mules and
horses sufficient to cultivate the farm and
furnish feed for the team and all plan-
tation tools Mr Hoyle was to furnish labor
and feed them and after the rent of the
farm was paid the remaining portion
of the crop was then to be divided equally
between us my self + Hoyle Mr Hoyle
contracted with the hands I had nothing
to do with the furnishing the labor at all
after the crop had progressed a while
Mr Hoyle was short of provisions + came
to me and ask me if I could assist him
in any way to get provisions for his hands
I let him have Six hundred and ninety
three pounds of Pork or a bout that amount
I after that time let him have a barrel of
Salt Pork which cost me thirty three dollars
and other provisions such as corn and
Syrup I also went Mr Hoyle's security of
for two hundred and twenty dollars for
the purpose of buying more provisions for
the use of the farm. After this time in
September Hoyle gave a mortgage to
Casper Lewis on his portion of the crop

for articles purchased from him ~~after~~
 Some time ^{after} he had got the provisions from
 myself. Hoyle not ^{having} made any arrangement
 to pay ~~for~~ for the labor of the freed men
 that had made the crop his portion of the
 crop was taken & disposed of & then the
 hands called on him for a settlement & all
 that he had that ought to have gone to the
 paying the laborers. The case was then brought
 before the agent in Bainbridge Capt Clark
 and his decision was that Mr Hoyle was
 not responsible & therefore I was responsible
 and must pay the hands

I therefore wish to bring the case before you
 for new trial

Capt White,

Just A Dasher Jr has executed the deed you sent me to the school lot & placed it in my possession until the \$40. be sent him - The title is now all right - The lot to which I

referred in a subsequent letter saying the title were in Law is a different lot being the one Chas. Anderson Col^d was about to buy - I regret that

I could not go to the Convention from illness & other causes -

It is probably better - as to have gone & sought & accepted a small clerkship there might have been in my way in the future for some better position -

Respectfully referred to the Sent

This man Shackelford, son of the writer
rented a plantation in this Co &
employed a cold woman as a cook
& made her his mistress. She has
since had a child which she says
is his. (Shackelford) took a portion of
the price to his house & made the wo-
man swear that the child was not
his. He soon after left for South
Florida. The girl states that she
was to have \$10,000 for her services as
cook & that she has received nothing.
He (Shackelford) sold the male
spoken of in the letter & took a note.
On hearing this I sent an order to the
man who purchased the male
not to pay the note & give up the
male until a settlement was made with
this woman. for work, her De Bell,
& for the time she laid in & also to pay
her \$2.00 for the support of the
child.

Mr W. G. White.

Your reply is before me
 And I have read it with interest. And
 what ever existed between Augustus and the
 girl in relation to the child: I know
 nothing of: And cannot be responsible for
 Augustus' conduct: that Mary is due
 me morally & legally: Augustus was
 owing me over \$2000 gave me the check
 & taking the note in part payment on
 Mary is sold and take the note I told
 him to sell the note: which he did &
 returned the note to me: from this you
 will see that the money for the note
 is a Dundas is legally due to me
 it is legally due & no claim can be
 set up against it in as much as
 it fell into my hands before it
 was due

Now I assure you that no arrangement
was made to by me or Guss in this matter
to avoid any claim I had the money
could have kept it: As for Rose & the
child she made an affidavit: that the
child was not illegitimate?

That Affidavit was made by Grace
voluntarily without any compulsion
before witnesses of the Notary Public
left her induced to swear the child
to him she is to be pitied but cannot
be noted for she stands purged
but be this as it may none of these
demands and claims can effect a
permanent note held by a third
person for a valuable consideration
Yours truly
P. H. Shackelford

P.S. I am looking for Augustus to
come up this Spring. A summer
and I will have him up and
attend to the matter of course.
I am satisfied that more of
these claims would have been laid
in had he assumed them; as it is
I consider them frivolous but still
we expect to pay. Believing that
you wish to do justice in the
matter I know how and how
perfectly exparable
If you will examine the matter
closely you will see that you
can and do properly decide that

Thomasville, Geo. -

Sir: About a fortnight since a freed-
man named Jerry Bell came to me with
a complaint like this: He had hired
of another freedman, Marion Martin, a
horse for the making of the crop. He was to
take good care of him and at the end
of the time pay 10 dollars for his use -
Martin came to his home the other day &
in his absence took the horse away say-
ing that Jerry had made his back sore.
I ordered the freedman to report, he did
not respond; I sent him an order to
turn back the horse or I would send
a soldier after him. Mr. Mann, who
hires him, told him to take no notice
of any thing that came from the
Bureau.

Shall I, can I send a soldier to take
away the horse? or must it go to the civil
authorities. -

W. F. White,

Sir:

I forwarded one communication with regard to the trial of Speight this morning; I have a few particulars to add. —

When I sent the letter, about 12 M., I thought the matter was disposed of for a fortnight. But at one o'clock Speight came to me and desired to be set at liberty on bail, until day of trial. I told him he was in the hands of the civil authorities; they would do as they liked. — An hour after Richard Sims, his counsel, sent me a line saying that he would be glad to see me at the court house. — I went down and was ushered into the presence of all the legal talent of Bainbridge. They wanted to have Speight released until the day of the examination, 26th inst, his wife was sick, and he could give bonds in \$10,000 for his appearance and inasmuch as I had asked for the delay, and believed he would really appear, I raised no objection. Was I right? I believe he will be on the ground, but fear it was establishing a bad precedent. —

The witnesses summoned to town today were those who saw the trouble Sunday night only - and not those who heard Speight threaten the man on Saturday night. I have obtained their names and called them here on the 26th. We shall need a good lawyer - that is at the preliminary examination. - How one be had in Thomasville? - I can get Judge Law here, probably, if he can be assured that his fee will be forthcoming.

Speight is a mason, and the brotherhood will do all they can for him. And, in truth, there are mitigating circumstances.

I am, Sir,

Your obedient servant,

Before me appeared Alfred Felton ^{called}

say that he agreed to work for Allen Spens
for ~~for~~ dollars per month. that he worked two
months, one of which he paid him.

On completing the second month he wanted
me to make up for lost time. I had lost two
days one was sick and the other I went to the
election. I worked two days to make it up
but he (Spens) wanted me to make one & half
days for one. he said I had his business to
leave that day going to the election.

I took your summons yesterday to his place
and offered it to him & told him it was a note
from you. he said he had no run for the note
or you or me. I was outside the yard. he
came to the gate opened it & set his dogs on
me. As I was coming up I saw Sam Spens get his
pistol and put it in his pocket.

Act. Secy. & Asst. Genl

Sir

I have the honor to report that three men named Stephen Goodwin, William Brown, and — Green, have been robbing freedmen in Mitchell county on the public roads, taking the freedmens money and pistols. I have notified the Sheriff of Mitchell county to arrest them but I am told they are now in Decatur and have robbed a freedwoman on the Camilla & Bainbridge road of her finger rings. The woman lives with T. A. Barrow near Blowing Rock. They also robbed a freedman named Geo Griffin, in the employ of Mrs Greenman, in the vicinity of a man known as Prider Harris. There is also a Mrs Perry in the same locality who knows of these outrages and I respectfully request that the Agent at Bainbridge be directed to take some action in this case these men are noted characters in Mitchell county and there is not a civil official in

my opinion who would not hesitate to arrest
them they defy the civil and military authorities

Dear Sir,

Utman Brooks, Co

Sept 7th 1868

Capt W. H. White.

After writing you in regard to Bob Culpeper's case, I came by the jail and saw Bob himself. He informs me that he had a trial before Judge Hunter with five or six witnesses and was discharged. He also says that he paid Turner \$30 to defend him. I believe Turner did not like to tell me the fact of the case as I mentioned your name. I will see further about the case if you think it necessary.

Dr Sir

I saw Capt Turner Bob Culpeppers lawyer in the first and last case, and told Capt Turner that you had written me to inquire into to Bob Culpeppers case, Mr Turner says that Bob Culpepper was previously arrested by a warrant for Horse stealing but had no trial Mr Bentley a citizen of this place told me that the reason Bob Culpepper was not found guilty before was that Bob Culpepper was found in possession of a horse arrested a Gray Horse instead of a Black Horse as was stolen, But recently the black Horse that was stolen was found in the possession of a white man and the white man swears that Bob Culpepper traded him the black Horse for a Gray one, at Madison C H Glaw, Franklin Bentley Co say that Bob paid Capt Turner \$30- to defend him before and that Bob Culpepper was released, It appears that Bob was harassed

last week for the same offence
& committed to jail to await
his trial in the next Supr Court.
I was at the trial and heard
the evidence. My understanding
at the trial was that Bob had
been arrested before for the same
offence.

Sir:-

Yours of the 10th, 12th, & 14th are received. In regard to teachers at new points in your district, the A. M. A. does not seem disposed to send out teachers to such points before the election; and I do not feel like advising them to do so. They seem to be in some doubt; also about sending just now, to all the old points. I hardly think they will send a man to Thomasville. If you can find teachers who will at all reside the year in these country places, employ them under the circular of Sept. 1st. On the 12th you make application for aid on School-houses. Can there be a school kept there if we build the house? Is there a teacher there yet? We do not wish to aid the house, unless there can be a school there.

I send you some blanks this morning but I have no receipts. I ordered some a long time

go, but - they are not here yet.

I will send them as soon as they come -
They are furnished me from Washington -

They would be better with a few more days, but we
must take them as we can get them; The teacher
can manage somehow with the odd days -

I am sorry to hear of so much sickness
among you - & hope you will soon be better -

I send you 1 doz. Linton Books, as
you requested -

They cost ad the Postage \$1.80 -

Dr. Sir: -

I have not answered yours of the 15th concerning Valdosta & plantation before, because I have been uncertain what I could do. It has been impossible to get anything satisfactory either from Washington or the Aid Societies. Plans which I had laid for the year have been upset &c. &c.

I can now promise that, however, to any teacher, whose aid society is at work, whom you recommend, I will pay, from the Relief Fund, 25 cts. ^{each of} per month on the average number of pupils in school. I hope this will enable many schools to go on. Teachers will be required, in addition to their reports to you, to report to me direct on blanks like the within. Please send me the names of any teacher to whom this aid should be given, also ask them to write to me at once - & I will then send them blanks. I wrote to Mr. Ems at Valdosta - today, without any further recommendation from you -

Have teachers yet arrived at Sumner. I expect A. M. A. to supply you there & elsewhere in your district - where teachers can well go. I fear we can't build you school houses, but don't know certainly yet. -
